

Remarks and Response to Restriction Requirement

Applicants wish to thank the Examiner for the telephonic interview of July 23, 2009. It was agreed that cancellation of claims 68-73 would result in withdrawal of the restriction requirement, as the restriction requirement was drawn to these claims. Applicants have thus cancelled claims 68-73, and submit that they are fully responsive to the Office Action of April 1, 2009. Applicants also wish to point out that they were previously fully responsive to the Office Action issued on January 8, 2008, but have not received a further Office Action based on the merits of the response filed June 9, 2008.

In the Office Action mailed April 1, 2009, the claims were divided into two groups:

Group I, claim(s) 50 in part, 64-68 in part, 69, and 74-75 in part, drawn to a method of inhibiting cell cycle wherein the inhibitor inhibits Nup153-COPI interaction.

Group II, claim(s) 50 in part, 64-68 in part, 70-73, and 74-75 drawn to a method of inhibiting cell cycle wherein the inhibitor binds to Nup 153.

As mentioned above, Applicants have cancelled claims 68-73, and have therefore rendered moot the restriction requirement. Applicants therefore respectfully request an Office Action based on the merits of the response filed June 9, 2008.
